XII. SUPERINTENDENT’S REPORT

2017-2018 QSAC Statement of Assurance (SOA)

The 2017-2018 SOA is due to the Department of Education (DOE) on November 15, 2017. The Board previously approved the SOA at the September 18, 2017 Workshop/Regular Business meeting, and the Superintendent’s office submitted it to the Department of Education on October 3, 2017. The Superintendent’s office was notified last week by the County office that we needed to revise one of the scores in the Operations section from a 1 to a 0 due to the Electronic Violence and Vandalism Reporting System (EVVRS). The EVVRS report was due to the DOE by July 17, 2017. Our office submitted the report well in advance, however, the State reported that the document was not submitted until July 31, 2017. Despite submitting a dispute to this claim, the State has made the determination that we were late with our submission, requiring us to change the SOA, which reduces our score in Operations from 100% to 95%, which is still above the required overall score.
