

Dear Parents and Guardians of Memorial Middle School Student-Athletes,

The purpose of this letter is to inform all Point Pleasant Borough High School parents/guardians of student athletes regarding the changes to the athletic participation physical process. Below, you will find bullet points that explain the new process:

- Every physical conducted by a medical home physician, advanced practice nurse (APN), or physician assistant (PA) **MUST** be reviewed and signed by the school physician prior to your child participating in his/her sport. Therefore, it is imperative that all physicals are completed and submitted to the school nurse at least one week prior to the start of the season.
- Any licensed physician, APN, or physician assistant conducting a student athlete physical **MUST** acknowledge he/she has completed the cardiac screening module by signing under that section on the Clearance Form page (4) . It is recommended that you verify that your medical provider has completed this module prior to scheduling an appointment for a PPE.
- A physical will not be accepted that does not include all COMPLETED Pre-Participation Physical Evaluation forms, including the newly added Clearance form. We do not accept faxed physicals.
- Any student athlete that has a current physical dated within one (1) year from the time of the first practice of the season is eligible to participate for the season, however, a Health History Update Questionnaire must be completed and dated 90 days prior to the first practice of the season. This Questionnaire is now paperless and completed through the ***New** FamilyID website.
- **Other required forms, as well as, athletic registration must be completed each season through the online website FamilyID at www.familyid.com/point-pleasant-borough-high-school. This website will help the athletic department be more administratively efficient and environmentally responsible. Fall 2018 Registration is now open to register.**
- **Once on the FamilyID website, please follow these instructions to register for a sport:**
