February 26, 2018

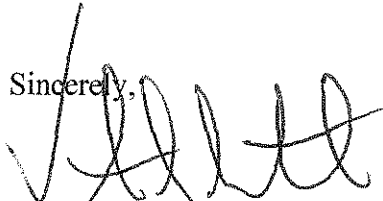

Dear Parents/Guardians:

On Monday, February 26, 2018, two middle school students reported a message that was written in a bathroom stall. The message contained a threat that something was going to occur at Memorial Middle School.

The Point Pleasant Boro Police Department was called and responded to the school immediately. District staff and the officers conducted a thorough investigation which determined that no credible threat exists. Backpacks and lockers were searched by district personnel. All security and safety procedures were implemented and followed by staff and students.

As an added precaution, the Point Pleasant Boro Police Department will have an increased presence around our schools. I commend the individuals who immediately reported this to the building principal. Additionally, students and staff members have been very helpful and cooperative during the process. Please know that the safety of our students remains our top priority. We will provide updates if necessary.

Sincerely,

Vincent S. Smith
Superintendent of Schools
