

Point Pleasant Borough Athletic Department
Communication Consent Form

In order for a coach to communicate with team members via cell phone or text messaging, written consent is required from the parents of a student athlete. Your consent below will give permission for the coaches and/or any assistant coach to utilize the following methods to communicate information about the athletic program: cellular phone or text messaging. Video chat/calling of any kind on a computer or mobile device is prohibited.

All phone calls or texts to or from the coach(es) must directly relate to the program (i.e.: schedule, practice times, bus times, etc.) and must include nothing personal or class related. Coaches will not respond to phone calls or messages about personal or class information.

Please complete the form below and return it to your coach as soon as possible. Your cooperation regarding this matter is much appreciated.

_____ I give coach(es) _____
permission to communicate with my child via telephone, cellular phone, or text in order
to share information related to the sport in which they are participating.

_____ I do NOT give the coach(es) permission to communicate with my child via cellular phone
or text. The coach(es) may communicate via home telephone or with me.

The coach(es) may utilize the information provided below in order to communicate information regarding the program in which my child is participating. If no information is provided, my signature confirms that my student will utilize other means to acquire program information.

Student Name: _____

Parent name: _____

Parent Signature: _____

Home Phone: _____ Parent Cell #: _____

Student Cell #: _____ (only include if checking first option above)
