

Dear Parents,

For many years, Memorial Middle School has participated in the Students Change Hunger food drive for Fulfill (formerly the Foodbank of Monmouth and Ocean Counties). Our goal for the last few years has been to donate 3,000 pounds of food, and we got VERY close to that number two years ago. We'd love to make it to that 3,000 pound goal this year, but we can't do it without your help! And here are just a few reasons your help is so important:

- Did you know that there are over 41 million Americans dealing with hunger? That's one out of every six people.
- In New Jersey alone, there are more than 900,000 people who don't know where their next meal will come from on any given day. Nearly 270,000 of those 900,000 are children.
- For every **one dollar** donated, Fulfill can provide **three meals**.

Every dollar donated will count as 1 pound towards our school's Students Change Hunger total. Monetary donations are just as important as food donations. If you would rather donate money than send in food with your child (or if you'd like to donate money in addition to donating food), you can fill out and send in the attached form to the address listed on top of the form.

You can also donate online by following these directions:

- Go to this link: <https://donatenow.networkforgood.org/1437901>
- At the bottom of the page where it says "Select a designation", choose "General Donation".
- For our school to get credit, **you must type in the dedication box: Point Pleasant Memorial Middle School SCH.**

If you are interested in more information, have a large corporate donation, or want to know more about the rules for this competition, please go to www.studentschangehunger.org. We can't thank you enough for your commitment and dedication.

Sincerely,
Courtney Fehring and Tracy Somerville
