Halloween Parade

Please join us at Nellie F. Bennett for our annual Halloween parade on Tuesday, October 31st at 9:45 a.m.

▪ Costumes & Snacks:

- Please have your child (Pre-K through 5th grade) wear their costumes to school on the day of the parade. Please place any accessories in a bag. This same bag will be used to transport the costume and accessories home after school.
- No swords, knives, guns, wands, pointed objects, or anything that may be harmful will be permitted.
- Please have your child wear safe footwear and apply any specialized character make-up at home.
- Healthy snacks for class parties must be dropped off by 8:45 a.m. – tables will be set up in the lobby by grade level. Please be sure to mark snacks with teacher's name and your child's name.

▪ Visitors:

- Parents planning to attend, please visit us on the recess field behind Nellie F. Bennett's gymnasium. Please enter from the parking lot area and gather around the parade route for optimal viewing. The parade route will follow the perimeter of the field. Children will be making a complete circle and will exit and re-enter from the same gym doors. **Reminder: No dogs or pets allowed.**
- Following the parade, parents may exit the field and the children will return to their classrooms to continue their academic day. Classroom teachers will send a notice home if there are any specific details that they would like to share regarding special events particular to their classroom.

▪ Inclement Weather:

- In case of inclement weather, there will not be a rain date for this event.
