Get Ready for Ocean Road's First Annual Character Color Day!

Trustworthiness   Respect   Responsibility   Fairness   Caring   Citizenship

Ocean Road students are challenged to color our school with character! Students may dress in their favorite character pillar colors: red (caring), yellow (respect), or blue (trustworthiness).

Feel free to get creative or silly (hair accessories, hats, socks)! This is for fun so join in the merriment and show your character pride!
