**PARCC TESTING INFORMATION**

January, 2017

Dear Parent/Guardian:

The New Jersey Department of Education requires that all students in grades 9 - 12 currently enrolled in the courses listed below take the Partnership for Assessment of Readiness for College and Careers assessments (PARCC). The successful completion of PARCC is one of several assessment options required for graduation as explained on the reverse side of this letter. The schedule of the PARCC testing dates and times can be found in the calendar below. Testing room locations will be made available to students in their English and Math classes.

## **HIGH SCHOOL GRADUATION ASSESSMENT REQUIREMENTS**

The New Jersey State Board of Education determines regulations for high school graduation assessment requirements. The assessment regulations vary based on the year of graduation or “class of”. Detailed charts describing the graduation assessment options for each class are available on pages six and seven in the 2017 – 2018 *Point Pleasant Borough High School Course Selection Guide*. A printed version of The Course Selection Guide will be available for students in a few weeks. The Course Selection Guide is also available on the High School Guidance Services website.

### **PARCC TESTING FOR VOCATIONAL STUDENTS**

Students who are enrolled in share time programs at Ocean County Vocational Technical High School (OCVTHS) will need to follow their particular PARCC testing schedule. This may have an impact on their attendance at their OCVTHS program which will be excused. A counselor will meet with your student prior to the PARCC test to explain the testing schedule and the possible impact on attendance at OCVTHS.

If you have any questions about the PARCC testing please contact Guidance Services.

Sincerely,

Ed McNeil  
Director of Guidance
