Acknowledgment of Responsibility

I/ we _____ are the parents/guardians of the student _____.

The student has applied for an alternate learning experience under the Option II program. As parent/guardian we acknowledge that transportation to and from the alternate site is solely our responsibility and the school will not provide such transportation. We understand there may be fees or costs associated with the program which are our responsibility and will not be paid by the school. Further, we acknowledge that the school has not performed a background check of the mentor providing the instruction nor does the school monitor the instruction provided on a daily basis, although the school has generally reviewed the proposed course of instruction and approved the same for potential credit provided the student attends the program and complies with the requirements of the instructor and the Option II committee. We understand that if the student successfully completes the course of instruction, as well as the required Option II committee assessments, he/she will receive credit as approved by the Option II committee but will receive a P as a grade which not be applied to GPA or class rank.

As parents/guardians, it is our obligation to ensure and monitor the student's attendance at the approved program. If the program is conducted in other than a classroom setting such as a vocational occupation or a distance learning experience, we will monitor the student's progress. We will share any information about the program with the school and the school will provide copies of any reports we receive from the independent instructor.

We hereby release a Point Pleasant Board of Education from any and all claims of whatsoever nature including claims for personal injury arising out of the student's participation in the Option II program. We understand and acknowledge that the program has been chosen by the student with our concurrence and that the instruction associated with the program will take place in a location other than a school building in the district.
