2016-2017 School Year

Dear Parents:

The PPBHS PTO is a volunteer organization that supports our students and faculty in several areas not covered by school budgets. We serve as liaisons between students' families, teachers and administration, and provide a forum for gathering information about what is going on in your child's school and throughout the district. We offer scholarships to graduating seniors and support Project Graduation, the culminating event of the PPBHS Senior Year. The PTO also sponsors both large and small projects and events that help to improve our school community.

We strive to enhance your student's school experience and we need your help. Please become a member of the PTO and attend our monthly meetings. Membership is required for scholarship consideration and dues are only \$10.00 per family. Checks payable to **PPBHS PTO** can be mailed or brought into the HS main office. The first meeting is scheduled for **Monday, September 12, 2016**, at 7:00 pm in the High School Media Center (Library in rear of HS building). Come meet the PTO Board, other parents, and administration.

PROJECT GRADUATION

On graduation night, all seniors are invited to an overnight celebration; a tradition at PPBHS since 1990 which was originally supported by significant state & federal funding. This funding no longer exists. However, our students look forward to this evening of fun which keeps them safe on graduation night.

Mr. Foley, our HS Student Assistance Counselor, oversees this event, but a parent committee will be required in order to raise funds to make this night possible. Standard fundraisers include the "Winter plant and greenery sale," and the "Spring flower and plant sale." Parents are needed to assist with these fundraisers as well as others, and help in the planning.

HS PTO fundraisers will also support **Project Graduation**.
