Dear Elementary School Parent,

The 2010-11 school year marked the introduction of Preferred Meal Systems' pre-packaged lunches for our elementary school students. While the district was pleased with the nutritional aspects of Preferred Meals menu, the district's resident food critics, our students, regarded the meals with mixed reviews. It is largely due to this fact that Point Pleasant Borough Elementary Schools have decided to end the partnership with Preferred Meal Systems for the 2011-12 school year. Once again, our cafeteria staff will be preparing a variety of delicious meals that meet our children's taste preferences while exceeding their nutritional needs in compliance with USDA regulations. I encourage you to visit the Nutrition page of our district website to view the daily menu options for your child. The website address is <http://pointpleasant.k12.nj.us/Nutrition.htm>. If you have any questions regarding the district's menu offerings or nutritional policy, please email, jtriebwasser@pointpleasant.k12.nj.us.

Sincerely,

Jonathan Triebwasser

Director of Food Services
