From: Chris Ferrone, Athletic Supervisor  
Re: Memorial Middle School Sports

---

In order for your child to participate in any of our school sports they must have a physical examination form and health history questionnaire filed with the nurse's office at Memorial Middle School. The middle school does provide sports physicals to the incoming 6<sup>th</sup> grade students. Please make sure your child, if they are having a physical through the school, is transported directly from the elementary school to the middle school upon their **regular dismissal time**. Parents are expected to provide transportation to Memorial Middle School. Physicals begin for rising 7<sup>th</sup> and 8<sup>th</sup> grade students at 2:30; this will be followed by the incoming 6<sup>th</sup> grade students. The following are dates for the fall sports' physicals that are being held at Memorial Middle School. Students should only come on the day of the physical designated for the sport they will be playing.

Girls Soccer	Wednesday, May 16 <sup>th</sup>
Field Hockey/ Girls Cross Country	Tuesday, May 22 <sup>nd</sup>
Boys Soccer	Wednesday, May 23 <sup>rd</sup>
Boys Cross Country/Makeup	Tuesday, May 29 <sup>th</sup>

Please note that these physicals are for **fall sports only**. Sports physicals for winter and spring sports will be scheduled later during the school year. If your child plans on participating in a fall sport, they will need to pick up the health history questionnaire and physical forms in the nurse's office in each elementary school. The health history questionnaire must be filled out by and signed by the parent/guardian. No student will be able to receive a physical by the school doctor unless they bring this completed form with them.

If you choose to go to your own doctor, have your child pick up the forms in the nurse's office and return the completed forms to Mrs. Ewtushek, School Nurse, at Memorial Middle School on or before **August 26, 2018**. **Please note the new changes for sports physicals on the back of this letter.**

If you should have any questions regarding the athletic program, please contact Mr. Ferrone at the high school, ext. 2227. Any questions regarding the physical, contact Mrs. Ewtushek at ext. 2303.

**PLEASE DO NOT CONTACT THE ELEMENTARY SCHOOL OFFICE REGARDING THE ABOVE INFORMATION. THEY WILL BE UNABLE TO ANSWER ANY QUESTIONS.**
