How do I get an FSA ID?

Log into <https://fsaid.ed.gov> to create an FSA ID.

The FSA ID process consists of three main steps:

1. Enter your login information.

1. Provide your email address, a unique username, and a password.

2. Enter your personal information.

1. Provide your name, date of birth, and Social Security number (SSN).
2. Enter your mailing address.
3. Select whether or not you would like to register your mobile phone number for account recovery using text messages.
4. Provide your mobile phone number.
5. Select your language preference.
6. For security purposes, complete the four challenge questions and answers.

3. Submit your FSA ID information.

1. Agree to the terms and conditions.
2. Verify your mobile phone number. *(This is optional, but helpful. This **verification** allows you to retrieve your username or reset your password without answering challenge questions.)*
3. Verify your email address. *(This is optional, but helpful. By verifying your email address, you can use your email address as your username when logging into certain ED websites. Also, we'll be able to notify you by email of changes to your account. This verification also allows you to retrieve your username or reset your password without answering challenge questions.)*

IMPORTANT: You need to create a separate FSA ID for Parent and Student before the FAFSA Workshop.
