Dear Parents:

The administration has closely monitored senior parking for the past several years. We have been present to observe arrival/dismissal and lunch periods on many days, including the trial period of “first-come, first-served” last fall. We have also communicated and collaborated with local law enforcement and similar high schools in Ocean and Monmouth County regarding student parking on campus. As such, we have made an informed decision that beginning in the 2018-2019 school year, **seniors eligible to park in the senior lot will do so on a “first-come, first-served” basis.** This will offer an *equal opportunity for each senior to park on campus each day.*

Any senior wishing to park in the senior lot will be required to fill out a parking application which includes a \$5.00 fee for a parking decal. The application, along with information regarding rules and regulations, can be found on the high school website. Students may return completed applications along with the \$5 fee to the main office (to Mrs. Melando) beginning Monday, August 20th between the hours of 8:00 a.m. and 3:00 p.m. Beginning on Monday, September 17th, all cars parked in the senior lot **MUST** display the school-issued parking decal.

Seniors, upon obtaining their license, may apply for a parking decal at any time during the school year. As seniors obtain their licenses, there may be more parking permits issued than the number of available student parking spaces. Therefore, the purchase of a parking permit **does not** guarantee a spot in the senior lot.

Students will be held to the Student Code of Conduct as well as to onsite parking regulations. Per policy, violation of school rules/regulations will incur disciplinary consequences that may include loss of parking privileges in the senior lot. Please refer to the complete list of rules and regulations on the information posted on the high school website.

Sincerely,

Kurt Karcich
